ST HELENS COUNCIL
THE COUNCIL OF THE BOROUGH OF ST. HELENS
(PROHIBITION OF WAITING AND LOADING AND PROVISION OF PARKING)
CONSOLIDATION ORDER 2025 (AMENDMENT No 4) ORDER 2026

STATEMENT OF REASONS

In January 2009, St Helens Council took over responsibility for the enforcement of all waiting and loading restrictions within the Borough, a duty which had previously been carried out by Merseyside Police. In preparation for this change, all relevant Traffic Regulation Orders (TROs) were brought together into one Consolidation Order in order to assist the enforcement process and significantly reduce the cost for advertising new or amended restrictions.

A number of Amendment Orders were made to the original Consolidation Order in the following years, and these were subsequently re-consolidated into one order in 2013. Further Amendment Orders and Consolidation Orders have subsequently been made with the most recent being (Prohibition of Waiting and Loading and Provision of Parking) Consolidation Order 2025.

It is now deemed appropriate to make an Amendment Order to the 2025 Consolidation Order in order to install new lengths of restrictions in locations within Earlestown Town Centre where parking problems have been identified, for avoiding danger to persons or other traffic using the road, as well as preserving or improving the amenities of the area through which the road runs, and to revoke restrictions which are no longer needed in conjunction with Earlestown Regeneration Programme Phase 1 Works.
