I, the undersigned, in return for a live webcast of the funeral hereby agree and undertake as follows: -

1. That the recording shall be for solely private and domestic purposes and not be used or permitted to be used for any commercial purpose or public showing.
2. That no excerpts or copies shall be made without previous written consent of the participants, including the minister, officiant, funeral director and mourners.
3. To indemnify and keep indemnified the participants against any claims of whatsoever nature against the participants arising out of the making of the webcast or its subsequent showing.
4. That I have informed all those attending the funeral service that I have requested the service to be webcast, including the minister, officiant and funeral directors. I have advised those not wishing to be captured by the camera to remain in the seated area until the end of the ceremony.
5. That I am aware, due to the nature of the internet, live streaming can be subject to external influences that can cause interruption or disruption to the broadcast and/or recording of services. No guarantee is given that audio/visual data delivered over the internet will be uninterrupted or error-free. St Helens Council will not be liable for any corruption to, delay in receiving or other defects relating to data dispatched over the internet.
6. Any personal information or individuals identified on the broadcast is processed via legitimate interest in line with the General Data Protection Regulation. A full privacy notice is available via this link.....
