

FLY-TIPPING

IS A CRIME

We need everyone to #ThinkTwice and report fly-tippers.

Fly-tipping is a huge problem across the Borough. If your waste is dumped by you or someone you've given it to, then you can be prosecuted and get a criminal record.

You can report an incident to the council to investigate. Witnesses are vitally important in enabling action to be taken against people who fly-tip waste, so please do report any incident that you witness as soon as possible. Information that is useful includes:

- Time and date of incident
- Description of person(s) dumping waste
- Description of vehicles involved, including registration numbers
- Description of the waste dumped (do not rummage through the waste yourself as there may be hazardous or sharp items among the waste)
- Photographs can also be very useful, but only if it is possible to obtain them safely

Together we can stop this problem and clean up our environment. Together.
