

Council Tax Additional Information

£150 Energy Rebate

The government has announced support to help with rising energy bills including a one-off £150 energy rebate payment to households which live in properties in Council Tax bands A to D and a discretionary scheme for residents in higher banded properties. If you pay by direct debit and are eligible, we will make a direct payment into your bank account in April. We will be making alternative arrangements for residents that do not pay by direct debit. Please visit: www.sthelens.gov.uk/energyrebate for further information.

Council Tax Valuation Bands

Domestic properties have been independently valued by the Valuation Office Agency and will be allocated to one of eight bands (A to H) according to their value as at 1st April 1991.

Your Council Tax bill states the band which applies to your dwelling. For further information on how Council Tax bands have been assessed please visit:

www.gov.uk/guidance/understand-how-council-tax-bands-are-assessed.

If you don't think your Council Tax band is correct, then you may be able to challenge the decision if you have evidence that suggests that it is wrong. Contact the Valuation Office at: www.gov.uk/contact-voa, telephone: **03000 501 501** or visit: www.gov.uk/challenge-council-tax-band for further information.

- **Council Tax Reduction:** If you are on a low income or in receipt of certain benefits, including Universal Credit, you may be entitled to a Council Tax Reduction. The level of support you will receive will depend on your household's income and savings.

- **Disabled reduction:** If you, or someone who lives with you, need a room, an extra bathroom, kitchen, or extra space in your property to meet special needs arising from a disability, you may be entitled to a reduction. This reduction is to ensure that disabled people do not pay more tax because of space needed due to a disability.

Adult Social Care

In 2015 the Government created the Adult Social Care precept which allowed Councils who provide Social Care to adults to increase their share of Council Tax. The Government has subsequently confirmed the ability to raise a precept of 1% for 2022/23. The precept must be shown as a separate charge on all Council Tax bills. The income generated from this charge is ring-fenced, meaning it can only be used for Adult Social Care services.

For Adult Social Care authorities, Council Tax bills show two percentage changes: one for the part of overall change attributable to the Adult Social Care Precept, and one for the part attributable to general expenditure.

Liverpool City Region Mayoral Precept

Since 2019/20, your Council Tax has contributed to the Liverpool City Region Combined Authority which is working to promote further jobs, inclusive growth and investment across the area. The Liverpool City Region Mayoral Precept will continue to be used to deliver projects for the city region, such as ultra-fast digital connectivity, a Mayoral Transport Plan and an apprenticeship portal. Further information can be found at: www.liverpoolcityregion-ca.gov.uk

Council Tax appeals

You may make an appeal if you consider that: you should not be liable for Council Tax; your dwelling should not be chargeable; you should be entitled to a reduction, exemption or discount; or your Council Tax charge has been miscalculated.

If you wish to appeal on these grounds, you must initially put your appeal in writing to:

St Helens Borough Council, PO Box 10592, Nottingham NG6 6DP.

Making an appeal does not allow you to withhold payment of Council Tax owing in the meantime.
