We are all volunteers and all profits will be reinvested into Café Laziz in order to help it grow.

As Café Laziz grows it will provide paid employment opportunities and clear employment pathways.

We are passionate about delivering fresh, wholesome international food at reasonable prices. Please try our food and talk to us about it.

We have all attended English classes and now we want to put our skills into practice and meet the friendly St.Helens community.

We also have a question and answer wall where any questions you may not feel comfortable asking can be posted anonymously and we will do our best to answer them as honestly as we can.
