Both our nursery provision's offer 15 hours per week within a stimulating and nurturing environment that will support your child's individual needs.

Your child will be cared for by one of our dedicated and experienced team who will act as the keyworker and will provide you with regular updates on your child's learning and development.

We provide healthy, nutritious and well-balanced meals and snacks.

Part of our nursery offer includes a compulsory 12 week Parent and Child programme, where you will learn different aspects of child development and how your child learns through play, and how you can support them to develop.
