

Review of Polling Districts, Polling Places and Polling Stations 2023

(Acting) Returning Officer's Representations

These are the representations of the (Acting) Returning Officer for the St Helens North and St Helens South and Whiston Parliamentary Constituencies as part of the review of Polling Districts, Polling Places and Polling Stations 2023.

Feedback is welcome, including suggestions for alternative polling places that meet the needs of all voters.

Definitions

What is a Polling District?

A polling district is a geographical area created by the sub-division of an electoral area, i.e. a ward or parliamentary constituency, into smaller parts. A polling district will not breach ward boundaries.

What is a Polling Place?

A polling place is a building (e.g. a school or community centre) or area in which a polling station is located.

What is a Polling Station?

A polling station is the physical location (i.e. the room) where the process of voting takes place.
