You will see the input box as below;

The screenshot shows a web form titled "Log new attendance - Unsocial Hours". The form is set against a background image of a person interacting with a large calendar. The form fields are as follows:

- Type:** Unsocial Hours
- Comments:** A text input field.
- Date *:** 16/05/2024, with a calendar icon.
- Total Time *:** Three input fields for "hh", "mm", and "hrs decimal", with "0.00" pre-filled in the "hrs decimal" field.
- Do you want to charge to a different cost centre?:** Radio buttons for "Yes" and "No", with "No" selected.
- Note:** A red-bordered box containing the text: "All payment and / or lieu time for this extra attendance will be calculated automatically based on business policy. Enter **only** the actual hours of the extra attendance worked."
- Buttons:** "Submit" (black), "< Back" (white), and "Close" (white).

Employees can input comments to your authorising manager, enter the date the Unsocial Hours has been undertaken and number of hours to be claimed.

Unsocial Hours should only be claimed for hours worked between 8:00 p.m. to 10:00 p.m.

Claims should be input for each individual day, for example, where a shift spans over two dates you should submit two claims.

Payments will automatically be charged to your home costcode, if payment should be charged to an alternative code you can input the applicable objective and subjective code.

The system will automatically calculate the correct rate of pay to be paid based on the number of units submitted.

Once submitted this will go to your appropriate payment approver linked within the authorised signatory database.

Via the MyView History tab employees will be able to check the progress or details of their claim.

Once the claim has been approved, payment will be made in the next available pay cycle.
