

# Do you keep birds (even as pets?)

By **1 October 2024**, all bird keepers in England must register with APHA. The only exception is for keepers of indoor pet birds that do not have any outside access.

You will:

- receive important updates on any **local avian disease outbreaks**
- receive information on **biosecurity rules** to help protect your birds.

Take action now, **register online at GOV.UK.**

You are **breaking the law** if you do not register.

You must also review your data on an annual basis.
